

WINNERS OF THE
TECHAWARDS09

FRIDAY MAY 1ST, 2009

GOVERNMENT OF BERMUDA
Ministry of Energy, Telecommunications and E-Commerce
Department of E-Commerce

TECHAWARDS09

WINNERS

Most Inspiring Technology Teacher - **Jonathan Young**

jyoung@college.bm

"Jonathan Young is the only instructor that I know of who creates a website for each of the classes that he teaches. He empowers his students by giving them access to this site so that they can find the exact information that they need, at any time of the day or night."

Most Inspiring Youth Project - **Bermuda Robotics and Youth Camera Action**

Bermuda Robotics: Bermudarobotics@gmail.com

"This is a great way to ignite genuine interest in science, technology, engineering and math before the school year begins because they offer a fun learning environment!!"

Youth Camera Action: director@bng.bm

"The Bermuda National Gallery and The Family Centre are partnering to empower young people in Bermuda to use their vision and voice. They get a curriculum of weekly instruction supervised by educational staff and are provided with a digital camera that they can take home and use to apply the skills they are learning."

Best Interactive Experience - **Gibbons Company**

Bermedia/answers@bermedia.com

"This solution enables full purchasing, special offers, exclusive products, full content management, HTML email newsletters, full search engine and personalisation of gift cards with photos and text and can choose their choice of gift wrap, colours and sizes. Corporate users can bulk order gift cards personalised with their logo."

Best Local Web Site - **Vybezalliance**

qian@vybezalliance.tv

"www.vybezalliance.tv is a social network site which empowers people to record their music-video, upload it to the Internet and share it with the world!"

Best Use of Technology in the Environment - **thegreenhousebermuda.com**
info@thegreenhousebermuda.com

"The Greenhouse Bermuda launched in 2008 to offer comprehensive solutions for Bermuda's lifestyle now and in the future. As retailers of bicycles, electric scooters, and electric 4-wheel vehicles, The Greenhouse Bermuda is offering renewable energy solutions and unique transportation products."

Best Customer Service from a Technology Company - **SwitchWorx**
christopher@switchworx.com

"SwitchWorx Ltd. has consistently provided an exceptionally high level of service to their clients. They are a team of skilled technology professionals that understands industry business needs and always deliver first class support."

Best Business Solution using Technology - **Emergence Bermuda**
rburns@emergencecorp.com

"Emergence Bermuda saw a need in the Bermuda Insurance Industry to be flexible and fast in rolling out new business units, companies and lines of business, in strict accordance to Company Chart of Account rules. Emergence invested heavily in designing the Advanced Account Control module that allowed Microsoft to enter this significant market."

Local Innovator of the Year - **QuoVadis**
s.davidson@quovadisglobal.com

"QuoVadis introduced Trust/Link SSL, a web application used by multinational corporations to manage their use of SSL certificates across their various operations. This technology has been adopted by large corporate, banking, and public sector institutions worldwide - competing against some of the largest vendors in the industry."

Innovation of the Year - **Waternow.bm**
info@waternow.bm

"Waternow.bm has implemented state-of-the-art technologies into one of Bermuda's oldest businesses - water delivery. By using GPS to locate homes, on-line scheduling and payment as well as delivery site invoicing through driver-managed laptop systems."

TECHAWARDS09

MISSION

To publicly recognise the outstanding achievements being made in Bermuda's information technology industry.
Further, to motivate and encourage more development of the sector through academic, industry and charitable pursuits.
